Open Space in the midst of extensive development is so very important to protect and maintain. The Wissahickon Valley Watershed Association and Natural Lands Trust are leaders in the private acquisition of land for the sake of keeping it undeveloped and providing a habitat for indigenous wildlife. This also includes monitoring streams for pollution. We cannot expect local and state governments to carry the burden here. At this moment the State of Pennsylvania is contemplating making large cuts to funds for Open Space and diverting them elsewhere.

The Open Space around us gives us a better quality of life and environment and we need to make the effort to support those organizations which do not leave it up to the local and state governments, but take the responsibility on themselves. If you love trees, fields, streams, and wildlife, please support them by coming to the dance or providing a donation.

Our event will include:

- ♥ Ballroom and Argentine Tango Dance Demonstrations by professionals
- ♥ SILENT AUCTION
- ♥ Dancing
- ♥ Hot and Cold Hors d'oeuvres and beverages
- ♥ Cash Bar
- ♥ Music by Steve Culver, DJ

I would like to show my support with my tax-deductible donation in the form stated below:
